Notice:

Our February Meeting is the Annual Election of Executive Board Members

Vice President Denny was pleased to announce that we had yet another very successful auction at our December meeting and the fact that **\$9440.00** cheque was presented to '**The Valley Therapeutic Equestrian Center**'. **Denny** also reminded all members who were able to get sponsors, to donate to the auction, to remember that there is a "Thank You" letter from the President that should be delivered to each donor to complete the process. These letters will be available at the February meeting.

Denny also gave a huge "Thank You" to **Henry Tjart** for the great job he did as our auctioneer. **Way to go Henry!!!**

Minutes were presented from the December meeting. Adopted by **Bob Brown & 2nd**.

Committee Reports:

Treasurer - Keith Biddlecombe reported that all is good with his department. He also spoke about the presentation made at the **Valley Therapeutic Equestrian Center** on December 16th. There was a great turn out of club members and the executive for the presentation of the **\$9440.00** cheque. The Center also had many of their board members and staff present for this presentation along with one of their young boys who comes to the center for therapy. He was later taken for a ride on one of the center's horses. It was also noted that this year the **Food Bank Contributions were the largest ever!!** So thank you all members who brought their donations for the Food Bank.

Keith also reminded all members that the new years dues are now payable.

Membership – Bill Alder announced that our membership numbers for this year was 298 in total, which showed considerable growth over last year's total. **Bill** also reminded everyone that Renewal Membership forms were available and needed to be completed by each member along with their renewal membership fee. It was noted that the membership fee was still holding at the unbelievable level of only \$25.00 again this year. So please see Bill for a renewal form and get your membership dues in. Thank you to all 63 members who have already submitted their renewal form and dues!!

Newsletter – Darlene Driedger – no report

Web Master - Cam Hutchins – no report

SVA – Cliff Haller reported that the **Specialty Vehicle Association** will continue to represent all of our interests as a hobby with **ICBC** in the coming year. He reminded us all that the **Collector and Modified Collector plates** as well as **the reduced insurance premiums** for collector cars has been as a result of all of the hard work done by **SVA**. As an organization, doing this continued work **needs your support with your membership dues of only \$10.00. Please do your part and join SVA.** Cliff also reminded us all that the SVA's AGM will be held the end of March and he encouraged members to come to this meeting and participate in the proceedings.

Cliff also noted that **BCHRA members** were among the largest contributors so far to the cause with renewal membership dues. **So a BIG THANK YOU TO CLIFF HALLER & HAROLD WELLENBRINK FOR THEIR EXCELLENT EFFORTS!!!!**

Bill Townsend spoke for the 50th anniversary committee: Bill was pleased to announce that they had set a goal to have 25% of their expected ticket sales completed by the end of December last year and that they had achieved this result. He was also pleased to announce that the momentum was picking up for this whole effort. Many members were calling with good ideas, that have been added to the program. The committee is now moving forward with printing many of the large posters that will be distributed and put up on display at many businesses through out the lower mainland to advertise our **50th Anniversary Event.**

The committee also has a media campaign ready to go and you will soon see and hear more about this over the next few months. **Bill** also reminded us all of the dates for this event on **JUNE 15, 16, 17, 2007.** The Web Site has been updated and the continuing efforts of **Cam & Grant will continue to keep the web site updated. www.bchra.org**

Bill also advised that they were now putting together the guest speakers and the program for the Saturday evening, as well as all of the activities for the Friday evening. You will be hearing more about this at future meetings. **Bill** also reminded us that all of the **Collector Tee Shirts, Sweat Shirts** need to be pre-ordered by each member so that the committee knows how many of each needs to be ordered and what sizes. Time is running out, for them to place this order, so don't be disappointed by missing out on the order. **Bill** did say that they would order a few extras but he felt that they would all go quickly so don't count on getting what you want for sizes out of the extras.

Bill also reviewed how the large poster was designed and elaborated on the three feature cars that are included on the poster. **Ron Latham's 32 Buick** was included as he was the very **first President of BCHRA 50 years ago.** **Barry Watson's beautiful flamed Merc** representing the **early 50's full customs** and **Gordy Koropchuk's Willis Coup Gasser** which represents the **drag racers.** Represented on the poster is one of the legends of the hot rodders, **The A&W Drive Inns** (which has just celebrated their **50th Anniversary** as well). They are the **lead major corporate sponsor** for our **50th Anniversary.** And lastly, there is a dragster represented on the poster to complete the representation of our 50 years and our hobby/sport. He also reminded us that the same picture on this poster, is also on the tee shirts.

Bill again asked that those members who plan to attend but have not purchased their tickets should do so as soon as possible. The committee is now moving into another round of expenses that will need the advance ticket sales revenue, to cover these coming costs. Please see or call **Donna Carvelli 604-530-8555 for your tickets.**

Coffee Break & 50/50 Draw:

The McGuire Car wash pail, soap and sponge donated by **Bodo** was won by **Pat Bolton**, winner of \$142.50 was **Henry Tjart**.

New Business:

VP Denny announced that the club now has a new supply of **BCHRA DECALS in three sizes**. They will be available at the next meeting at the club store all for the same price of \$3.00 each. There is a new small size that is designed to go on the inside of the glass windows for those who are interested.

Denny also noted that the executive was also looking for some suggestions for guest speakers for this new years meeting agenda. Please call any executive member with your suggestions.
