**Jim** also referred our attention to the recent **Vancouver Sun** news paper article of one and a half pages which featured **Ron Latham** as the first president of **BCHRA** fifty years ago and some pictures of his 1932 Buick five window Coupe Cadillac powered on Corvette running gear. **Grant Chitty – Slide Show:** **Grant** had his second fantastic slide presentation which featured **Luke Balogh's** machine shop and a tour of his facility and a peek at some of the fantastic high performance engines that he was working on. Second was a trip through New Zealand and a look at many of the New Zealand version of some fantastic hot rods. **Grant** also announced that he was planning a future trip in February of 2008 back to New Zealand for the 49<sup>th</sup> Nationals over there. He would love to co-ordinate a trip there for any and all **BCHRA** members who would like to attend with him. Contact **Grant** at (604)-839-8497 if you are interested in learning more.

Lastly **Grant** brought to our attention a new Canadian hot Rods and classics magazine which is produced by **Terry Denomme** out of Nanaimo, BC. The current addition featured a great article and pictures of **Ron Latham's** 1932 Buick which was created by **Grant Chitty** himself and is a great article and a tribute to **Ron Latham** and his 50 year history with **BCHRA**. ## BCHRA 50<sup>th</sup> Anniversary Poker Walk Instructions Saturday June 16, 2007

This is to all the ladies, whose husbands have **NOT** been able to explain, what a '**Poker Walk**' is. Instruction sheets will be in the goody bags, when cars register. The poker walk will be between 9-2 pm. Please feel free to attend '**Fashion Show**' at 11 am, and then continue with the Poker Walk.

The idea is for the ladies to find the stores, through-out Cloverdale, on the instruction sheet. You are invited to browse and/or shop, then pick a card (in each store), from a bag, in order to get a good poker hand. The owner will write down the card you picked (and initial it).

When you have finished visiting all the shops, on your sheet, you will return the sheet to Sue Stoter, at the Ladies Poker Walk booth (at Millennium Park) to determine the '**BEST**' **Poker Walk** hand. There will be many prizes awarded.

## Ladies Fashion Show

The "**Fashion Show**" will be held in the lobby of the Cloverdale Casino on Saturday from 11-12. There will also be a display by 5<sup>th</sup> Avenue Jewelry, where the ladies can shop.

\*\*\*\*\*

**Please note:** There will be a shuttle bus available from Millennium Park to the Casino. With 4 stops along the way, to accommodate the 'Poker Walk' and 'Fashion Show'.

## The 50<sup>th</sup> Anniversary

At the time of writing this article we have **26 days left to our 50<sup>th</sup> Anniversary celebration**. I can tell you that it has been quite a bit of work to coordinate everything but the steering committee that has volunteered so many tireless hours has done a remarkable job to ensure that all of us in the club and others that may be attending will have a weekend that will be first class. We can all take great pride in this full weekend of activities.

Darlene has just phoned me and asked me if I would like to put something in the Headliner. Seeing as this is my last opportunity before our event I would like to ask:

- If anyone can help in securing items for our goodie bags. We are anticipating producing about 500 bags but that doesn't mean to say that we need 500 items of any one thing. If you can get me 20, 40, 100 of anything that you feel would be suitable, I will gladly take them right up until June 11<sup>th</sup>.
- I am still looking for sponsorship money and I am pleased to say that we have done reasonably well in getting donations to this point but I can always use more.
- Ticket sales have really started to move in the last three weeks and I am really pleased with the response that we have had to date. However, I would like to see more sold because the 50<sup>th</sup> only comes once. A lot of us possibly won't be here for the 60<sup>th</sup> if the club decides to do one.

## There are so many great things happening

- From memorabilia being on display
- **Keith Diamond and the Rockets** (who a lot of us have danced to at previous club dances) they are really excited to be our entertainment.
- **Red Robinson**, who will be our emcee, has been promoting our event every opportunity he gets on his weekly radio show.
- **Alyn Edwards**, who will be our guest speaker, was able to get a page and a half spread in the Vancouver Sun promoting our club and our event and he is hopeful that he will be able to get another article into the Sun before our anniversary date.
- **Mike McCardel** did a television special feature on our project car.
- **The Cloverdale Radio** has been promoting us on every one of their commercials this weekend letting people know that the **BCHRA** has some spectacular cars on display.
- Our club has been featured on the new **Rolling Thunder radio program on CISL** and they are planning on doing several more phone interviews to promote our event.

**Cliff Haller** has spearheaded the production of our souvenir program which will be given to all those in attendance at the banquet and having had an opportunity to view the program. I must say it will be a keepsake of which we can be proud.

With all the activities that are planned for the ladies during the weekend they should find a number of things entertaining from fashion shows to poker walks to gambling at the Casino etc.

We will have a few vendors displaying and selling their products on the grounds. **Jellybeans** will be doing a car-involved demonstration so there should be items of interest for club members and the public to view

In looking over the list of those who have registered to attend it appears that we are getting participants from all over British Columbia, Washington, Alberta and points beyond.

One of the things I'm going to be asking you at our June meeting, whether registered or not, is would you be interested in purchasing a video of the Friday night, Saturday day and Saturday evening festivities? We feel, as a group of volunteers, that this event will only come once as a **50<sup>th</sup>** and it would be nice to have it on record for posterity. We estimate that if we do film the event and produce a tape each tape, after it has been filmed, edited, narrated and perhaps music added to it will cost \$40/tape. If we can get a good and honest response through a show of hands at our meeting as to how many will purchase a tape at \$40 this will go a long way to allowing your committee to make a decision on which direction to take.

We are still in need of volunteers to do a variety of different tasks from directing traffic, emptying garbage pails, packing boxes and all the normal things we do as volunteers for an event of this type. When I give my report at the meeting the main thing will be we will have still a few days left for ticket sales. If you are still undecided as to whether or not to attend, I would encourage you to come. And for those of you who have already purchased your tickets I would encourage you to ask friends and relatives to join you for a night we should all remember proudly.

**Bill Townsend**
